Friday 24 <sup>th</sup> January	

### Lions Class Assembly

Children in the Lions Class would like to invite their parents/carers to join them for their class assembly on Friday 17<sup>th</sup> January 2020 at 9:00 a.m.

### Drop-in sessions with Mrs Ford

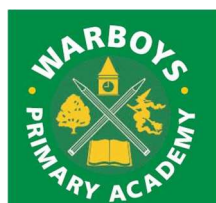

Throughout the spring term Mrs Ford will be available for drop-in sessions with parents who have matters they would like to come in and discuss. These will take place on Thursday afternoons 2.30 p.m.- 4.00 p.m. starting on Thursday 16th January. Please book via the School Office.

### Engineers Wanted

Are you an engineer or do you have links to the engineering industry? If the answer is YES, then we would be delighted to have your help and support as we are taking part in the Primary Engineer Leader Awards as part of our Science/ DT week in 2020. If you are interested in helping us launch this to the children on Monday 9th March 2020 please contact school, via the office ([office@wpa.education](mailto:office@wpa.education)). Thank you for your continued support.

### Hampers

Thank you everyone for your kind contributions towards Christmas Hampers at the end of last term. Instead of sending in gifts for teachers you sent in just over £50 worth of donations which enabled us to create 2 rather lovely hampers and donate them to families in our community.

Continued:-

### **Parking**

Sadly, our neighbours continue to raise concerns about inconsiderate driving and parking outside the school at the start and end of the day. Please consider our local residents and the safety of our children when deciding where to park and how to turn your vehicles around. Reports have been received of cars blocking footpaths so that children are forced to walk on the road and cars using driveways to turn around which causes further obstructions on the footpath. The safety of our children is paramount and peaceful relationships with our neighbours are important to our community. Thank you for your support with this.

### **Targeted teaching groups in years 1-4**

We have made some changes to some of the teaching groups this term in order to ensure that children have their needs met most effectively. Some children may be going to different teachers for some of their maths, phonics and spelling lessons. This enables teachers to plan activities that are carefully matched to the needs of the group and we have already seen this having a positive impact on children's progress and confidence in the first week back.

### **The Hideout**

We are delighted to inform you that Mrs Woodbridge has taken on the management of The Hideout as an interim measure following Mrs Robertson's departure. Mrs Hunter will also be working at the club to ensure that we have the correct adult : pupil ratios and our excellent provision continues. Mrs Woodbridge will now be the main point of contact for all enquiries regarding provision at The Hideout which includes both before and after school care. We have further plans for the continued development of The Hideout which we look forward to sharing with you in due course.

### **Dates for your diary**

31<sup>st</sup> January

14<sup>th</sup> February
