Dear Parents/Carers,

Re: Asymptomatic Testing

To support children returning to school the Government have confirmed that parents and carers of primary school children can participate in regular testing (Lateral Flow Tests). Currently our own staff are completing twice weekly tests which supports with the identification of asymptomatic cases and thus prevents the transmission of the virus.

If you would like to obtain test kits, there are 2 different ways in which you can access them:

- Collect test kits

You can collect 2 packs of home test kits at a local collection point. Each pack contains 7 tests.

Anyone 18 or over can collect. You can check online if the location is busy before you go.

[Find your nearest home test kit collection point.](#)

- Order home test kits online

If you cannot get tested at your workplace, or are unable to go to a test site or collect test kits, you can order a home test kit online.

Do not order online if you can get a test through other methods. This frees up home delivery for those who need it most.
