Dear Parents and Carers,

As we look ahead to the new academic year, we are pleased to share with you the class structures for September 2025. Our team has worked diligently to ensure that staffing is thoughtfully aligned to meet the needs of all our pupils, including those with SEND. We are confident that the arrangements we have put in place will support a smooth and successful transition for every child. Support staff will be directed to the SEND needs in the classroom to ensure that all pupils receive the support they require.

We are sharing this information now to support class allocations and to help prepare for Move Up Day.

Please find below a summary of the class structure, including class names and teachers, together with their working days:

***We would also like to inform you that Mrs Reid is due to begin her maternity leave sometime in September. During her absence, Mrs Hamman will be taking on her role. Mrs Hamman is already well known to the children and is excited to work alongside Mrs Bartlett to ensure continuity and support for the class.*

We are pleased to announce that Mrs Bennett has recently been appointed to the Years 3/4 Pumas class ready for September and will be joining us for Move Up Day. Mrs Bennett has shared the following message overleaf.

My name is Christine Bennett, and I am really excited to be starting at Warboys Primary. I have been a teacher for 17 years working mainly in year 4. At present I work in a large primary school in Bedford with nearly 900 pupils, where I am also the maths lead and phase lead for year 3 and 4. Before training to be a teacher, I had worked in a bank for many years. After having my children, who are now 26 and 28, I started working in a school as a teaching assistant. This led to me completing a teaching degree.

I have a real passion for teaching maths, and have worked with some schools in Cambridgeshire as a maths specialist.

I will be moving from Bedford over the Summer and relocating in this area. In my spare time, I love reading and spending time at our caravan near the coast.

We hope this overview helps you and your child feel informed and excited about the year ahead. If you have any questions or would like to discuss your child's transition, please don't hesitate to get in touch.

Kind regards,

Stuart Mallott
