

Warboys Primary Academy

Moving Forward Together
To Develop Confident, Independent Learners

Thursday 12th December 2019

Dear Parents/Carers,

We are excited to announce that we will be taking part in the **Primary Engineer Leader Awards** as part of our Science/DT week in 2020.

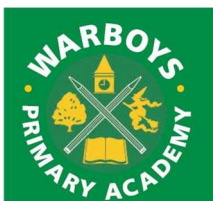

Calling all engineers!

Are you an engineer or do you have links to the engineering industry? If the answer is YES, then we would be delighted to have your help and support as we embark on this exciting challenge.

If you are interested in helping us launch this to the children on Monday 9th March 2020 please contact school, via the office (office@wpa.education). For any further information please direct questions to Mrs Dickinson who will be running the week.

Yours sincerely,

Amber Dickinson
