Dear Parents/Carers,

From September 2020 it became a statutory requirement for all schools to teach Relationship and Sex Education (RSE). At Warboys we have been teaching most of the required content for some time as part of our curriculum offer. The only change is that it has now become a statutory requirement whereas previously it was not.

We have taken this opportunity to review our policies within school and would like to invite you to comment on the policies as you see fit. The policies are currently in draft form and will remain under consultation for a period of 2 weeks prior to adoption.

Please find attached the Relationships Education Policy and the Personal, Social, Health and Citizenship Education (PSHCE) Policies which have been recently reviewed and updated by Mrs Ireland, our PSHCE leader. If you would like to make any comments on these policies for our consideration, please send these into the School Office (office@wpa.education) by Tuesday 24th November by email.

Yours faithfully

Becky Ford
