Dear Parents/Carer,

Re: Details for Leicester Space Centre – Friday 7th March 2025

We are excited to inform you that we have arranged a visit to the Space Centre in Leicester, which ties in perfectly with our current Science unit on Earth and Space. During the trip, the children will also participate in an engaging workshop about the Solar System.

The cost of the trip is £25 per child, which covers transportation to and from the Space Centre, entrance fees, and the workshop.

Please ensure your child is dropped off at the school car park by 8am. We will sign the children in and then they can board the coach.

Children should wear their school uniform, but they may wear trainers for comfort.

Each child should bring a bag containing their lunch and a water bottle. If your child receives free school meals and you would like us to provide a packed lunch (cheese or ham sandwich, fruit, and a biscuit), please complete the form [HERE](#).

We expect to return to school at approximately 5pm. We will send a message once we are on our way back.

If you have any questions, please do not hesitate to contact your class teacher.

Kind regards,

The Year 5 & 6 Team
