Friday 7th January 2022

Dear Parents and Carers,

Years 5 & 6 - Zoolab Science Workshop – Thursday 27th January 2022

This term we will be studying Evolution and Inheritance in Science. To create an engaging and exciting opportunity for the children when learning this topic, we have planned a workshop for the children with the company Zoolabs.

Each class will have a 60-minute workshop, where a qualified instructor will support the children in meeting and handling a range of different animals. The children will then learn how these animals have adapted to their habitat and environment. We are really excited to have this planned for our children, as I am sure you will all agree these experiences are something that all the children have really missed out on due to the COVID-19 pandemic.

In order to support the school in the cost of this workshop, we are asking for a £5 parent contribution, which is optional to make. This will be available to pay through Parent Mail from Friday 7th January. If you have any further questions, then please do not hesitate to contact your child's class teacher.

Yours faithfully

Years 5/6 Team
