Science Week: 27th June-1st July 2022

Dear Parents and Carers,

We are excited to announce that we will be holding Science Week this term, starting Monday 27th June. The teachers are looking forward to the fun, practical activities we have planned, however we also have some exciting competitions for you to participate in at home. The two competitions are:

Young Photographer and/or Artist Competition

Your first challenge is to go and explore your local area and take a photograph or draw a picture of the wonderful nature. What wildlife can you capture? Choose the best image and artwork (one entry per child) and please send them to Miss Westwood at: bwestwood@wpa.education

The deadline is Friday 1st July, with winners being announced the following week.

Science Bake Off

Challenge yourself to do some baking at home which is related to science. Please bring in your creations for a school display on Friday 1st July between 8.30-8.45am. The entries will then go on display for the rest of the school to come and marvel at your efforts. The winners of this competition will also be announced the following week in assembly.

We look forward to seeing your entries. If you have any further questions, then please do not hesitate to contact your class teacher.

Kind regards,

Miss Westwood
Deputy Principal
