Dear Parents and Carers,

Possible changes to menus

I am sure you are all aware of the issues with product shortages in the shops due to the distribution issues suppliers are experiencing nationwide.

Whilst we strive to deliver our weekly menus as advertised, we are experiencing the same issues with deliveries with our suppliers on certain food lines which sometimes impacts on our daily food production.

We are managing this by sourcing from other suppliers but occasionally we may need to make some changes to the published daily menus. We will try to keep these to a minimum to avoid any disruption.

Please be assured we are fully committed to delivering a quality food offer to all our children.

If you have any question relating to the catering service, please speak to the cook supervisor at your school or contact me directly Michael.dove@tdet.education.

Kind regards

M Dove
