### To Develop Confident, Independent Learners

Dear Parents and Carers,

We use an exciting new way to record, track and share your child's learning during their time in the Foundation Stage. This system, called an 'online learning journal' enables staff to take photographs, videos and make written observations of the activities your child does at school.

The system we are using is called 'Tapestry' and is hosted in the UK on dedicated, secure servers. These servers conform to very high safety standards and are proactively managed by a central security team. The safeguarding of our children is very important to us. Everything that is added to Tapestry will be added to our school account and can only be viewed by the school staff that use the system. Tapestry admin staff will only access these accounts with prior permission from the school (for example, if required to solve a technical issue). A copy of Tapestry's 'Privacy, Security and Back-Up Policy' is available to view on request.

We have the option to allow parents and carers access to their child's journal (using your email address and a secure password to log in) so you could celebrate this learning at home too. Parents/carers can also add their own photos and comments to the journal.

You would only have access to your child's journal and this cannot be seen by other parents. However, children in the class will sometimes be photographed with others as they work together. For this reason, we would like permission for your child to appear in photographs within other children's Learning Journals. If we do not get permission from all parents/carers then we would be unable to allow anybody access to the journals. Once the Learning Journal is set up, it is crucial that you **do not** share photos or videos from your child's book on social media or through other online platforms.

The photographs/videos taken and uploaded to Tapestry by the school are the property of Warboys Community Primary School and you **do not** have permission to upload them onto any website on the internet. We ask that you protect the images of your own and other people's children by viewing and using them carefully. Any incidents where this confidentiality is broken will be dealt with very seriously and will result in your access to the system being withdrawn.

On the back of this letter you will find some 'Frequently Asked Questions' about the system. We would also like to signpost you to Tapestry's website where you will find more information and videos: <http://eyfs.info/tapestry-info/introduction>

Attached to this letter is a permission and information slip. Please read this very carefully before signing and returning it to school. If all parents/carers agree you will be given your account details at the beginning of the school year.

Yours sincerely

EYFS Team.
