Dear Parent/Carer,

Re: School Dinners – Bookings & Payments

Please note that from Monday 7th February 2022, Dinner Menu Slips will no longer be used for choosing your child(s) choice of food, other than for children with confirmed food allergies.

All dinner choices will now need to be booked on your Parentmail Account by Friday morning at the latest, ready for the following week. This means that if your child would like school dinners the week commencing 7th February, you will need to choose and pay for dinners by Friday 4th February. To help you with choosing and making payments, we have attached a help sheet with step by step instructions. If you still experience any difficulties, please contact the School Office who will be able to help you further. Alternatively, you can click the Help Button at the top of your Parentmail account.

From Monday 7th February, children will receive a wrist band when lining up for their school dinner, which will confirm the choice you have made on-line. For example, if you have opted for the main hot meal, they will be given a red band, green for the vegetarian option and a yellow band for the school packed lunch. There may be a few teething problems, but we hope that this will ensure the options you have chosen will filter down to not only your child but also the school cook.

Thank you for your continued assistance and please do not hesitate to contact me should you have any further queries.

Kind regards

Loren Bradley
Office Manager
