

What's in a name? Often, we use initials without thinking, but what does EIFA stand for:

Education Inclusion Family Advisor

Do you know what help and resources the EIFA service can offer your family?

Come and find out at a coffee/tea drop in session with Mrs Stearne on 27th March 27th at 2pm.

Meet Kayleigh Fry, the manager of the EIFA provision for our School. Come and take part and ask for the courses or resources YOU need – she will bring all her information with her and is willing to arrange face to face workshops at our School, if that's what people would like.

If nothing else, come and meet other parents over a cup of coffee (or tea) and a Hot Cross Bun!

Please confirm your place with the School Office (office@wpa.education), so I know how many supplies to buy, but if you end up just coming on the day, I promise you will still be welcome!

Ros Stearne, Pastoral Lead
