Friday 2nd February 2024

Dear Parents/Carers,

We hope this letter finds you well. We are writing to inform you of an important update regarding our current school's Behaviour Policy. After careful consideration and collaboration, we have decided to update our policy and introduce a new vision for behaviour, aimed at fostering a positive and nurturing learning environment for all our pupils.

Our new vision for behaviour:

At Warboys Primary Academy, our vision is to create a calm and safe environment, where all can learn and flourish. We believe in mutual respect and value it as the foundation of our school community. We strive to foster an atmosphere of engagement, self-motivation, and resilience, empowering all to reach their full potential. Collaboration is key in creating a safe, warm, and respectful school where everyone is valued and celebrated. We aim to instil in our school community the values of ready to learn, respectful, and safe, encouraging all to be the best they can be. We believe in learning and growing from mistakes, and we are dedicated to developing all at Warboys Primary Academy into role models of the future.

As part of this, we have identified three core behaviour values that we believe will greatly contribute to the overall well-being and success of our pupils.

Warboys guiding behaviour values are:

With the introduction of these new behaviour values, we are confident that our students will be better prepared for their academic pursuits and personal growth.

p.t.o

continued:-

We believe that **being ready** encompasses being punctual, organised and emotionally prepared for each day's challenges.

Being respectful signifies treating others with kindness, looking after the school and resources, empathy and embracing diversity.

Finally, **being safe** means ensuring the physical and emotional safety of oneself and others.

We have already introduced these new behaviour values to the children in assembly and have provided age-appropriate explanations to ensure their understanding. Teachers will be incorporating these values into their daily routines and integrating them into their lessons, promoting consistency throughout the school.

If you have any questions, concerns or suggestions regarding the new 'Positive Behaviour and Relationships' Policy, or our vision for behaviour, please do not hesitate to contact us. We greatly appreciate your support and collaboration as we strive to create a safe, respectful and ready learning community for all our pupils.

Thank you for your understanding and partnership.

Kind Regards,

Stuart Mallott

Principal
