Friday 20 th September	

Curriculum Meetings

It was lovely to see so many parents and carers at our 'Meet the Teacher' event after school on Monday and Tuesday this week. The final meeting takes place tonight for parents/carers of children in Years 5 & 6 at 3:15 p.m.

Caythorpe Court

At 4:15 p.m today, we will be holding an information meeting for parents and carers of children who will be attending the residential trip to Caythorpe Court from 22nd September to 25th September. We hope you can join us to receive final details which will include a kit list.

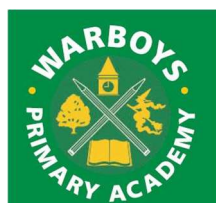

Grafham Water Residential

Year 4 children will have the opportunity to visit Grafham Water in March 2020. If you would like to register your child for this trip, please complete the form sent home by Monday 16th September 2019. Unfortunately, if we do not receive enough interest, we will be unable to go ahead with the trip. Further information will be sent home today under separate cover.

Understanding Dogs

Parents of children in Key Stage 2 are invited together with their child to join us for a one-hour workshop on Thursday 19th September 2019 at 3:15 p.m. The aim of the workshop is to become more confident around dogs and if you would like to attend, please email the School Office (office@wpa.education). Please note that there are only 15 parent spaces available and these spaces are filling up fast. For your information, we have attached further details.

continued:-

Flu Immunisations

The school-based nasal flu vaccination will take place for all children on Tuesday 10th December 2019. We have attached further information which includes details of how to either consent or decline the vaccination for your child online via their website portal. If you require further advice or information, please contact the School Immunisation Team on 0300 555 5055.

Parking

We have noticed that some parents/carers are parking inconsiderately when either dropping off or collecting their children. Can we please ask you to consider safety as a priority when parking your vehicle. Also, residents living in close proximity of the school have expressed their concern regarding car parking when dropping off and collecting children at the school. Drives are being blocked or partially blocked and also used as turning points, which is clearly unacceptable. We would ask that anyone bringing or collecting children from school by vehicles, show consideration to local residents and adhere to the 20mph speed restriction on Humberdale Way.

P.T.F.A Invitation

The P.T.F.A would like to invite parents/carers of children in EYFS to join them for refreshments on Monday 16th September at 8:45 a.m.

Clubs

Club forms were sent home earlier this week and we would be grateful if you could return your child's completed form as soon as possible. We will notify you on Friday 13th September via Parentmail as to whether your child has been registered for their chosen club.

Aldi's Kit for Schools

We have recently joined the scheme being run by Aldi to support 'Get Set to Eat Fresh' and its aims. Please could you collect their stickers when offered at the checkout as all stickers will go towards sports kits for school. We will place a collection box in the Reception area for your convenience. Thank you for your continued support
